

# Price list

Valid from 01.04.2018

## **Non-binding, recommended sales prices. All prices excluding sales tax.**

This price list remains valid until a subsequent price list is issued. Old price lists lose their validity on the date the latest price list goes into effect.

### **Customized Configurations**

This price list may contain sample customized configurations, which are identified by the addition of a four-digit configuration number to the article number. In the example WM XXXXX-YYYY, the last four digits representing the customized configuration are separated from the actual article number by a hyphen.

All the prices for the configurations are based on a sample configuration of our choice generally numbered -0000). Your final price can differ, depending on your customized configuration!

Articles which are not configured will still be presented this way:

WM XXXXX (without a hyphen).

### **Up-to-date with our Customer Login**

Our price lists are regularly updated at short notice. Before you place an order, please obtain information about the currently valid price lists by signing into the Customer Login at [www.weinmann-emergency.de](http://www.weinmann-emergency.de) or by calling our Customer Service.

### **Shipping + Ordering of Minimum Quantities**

A minimum quantity surcharge of 30 € applies to deliveries in foreign countries with a total value of less than 250 €.

### **All rights reserved**

We reserve the right to make changes to constructions, designs, equipment and prices, particularly during ongoing development of new production series. Without our express permission, any form of exploitation and use of copyright for and from this publication is restricted solely to WEINMANN Emergency Medical Technology GmbH + Co. KG.
